★ 사건과 장소에 상관없이 크로키북을 꺼내들고 묘사한 그림을 그리는 대학생 한별이. 어느 날 지하철에서 봤던 그림 속 이상형의 남자를 똑같이 닮은 남자를 만나게 되지만 단지의 차이로 놓치고 만다. 하지만 다시 만나게 된 도경의 남자는 연하남에 멋진 서예을 핵에 자신의 감정을 숨기지 않고 돌진하는데! 사회에겐 예민한 사건 도준이라는 여친이 있었던 수 선배에게 가슴 키스를 당한 별이. 시험은 1개 회를 내어 별이를 골고 나오는데?

Well, she is so much different from me.
She draws some strange pictures sometimes about her major. She can't control her emotions so that it shows on her face clearly.

When you are in a situation where you have to choose one and give up on the other, how would you decide ?
'Give up" doesn't exist in my dictionary
She's never useful !
Remember, you choose your outcome You make your "choice"
You are thinking it as "giving up' That's why it's harder to make a choice
Simply ask yourself which one you'd prefer over the other and make a choice. A simple concept, but much harder to execute.
